Members will be able to see how many vids, pics, and notes are included in your Club as well as the price of subscription by checking the box on your profile. Your Club also comes with a sales ticker, so that you and your fans can see just how popular you are!

Want to offer a Trial version of your Club?

Below the Plans under "Club Trial" select the price (minimum \$1.99) for the trial. Trial subscribers will be able to access your Club for a full 24 hours. Once the trial is over the member will be set to auto-renew as a full 1-Month subscription (*you must have a 1-Month plan option to create a trial*). Make sure to hit <Save> when you're done!

Please Note: *Subscribers will continue to have access as long as they continue to pay, and billing will be automatic. You can always edit your prices, but any subscriber will continue to pay the original price they paid as long as they continue to auto-renew. This applies to promo code discounts as well.*
