

How do I convert My Tokens from Live into earnings?

Last Modified on 07/09/2024 1:55 pm EDT

To convert your tokens earned for performing on Live to earnings:

1. Go to your drop-down menu
2. My Earnings
3. At the very top of this page you should see a section called "Token Balance" with a link to the right that says "Convert Earnings"
4. Click the link, confirm you wish to convert the tokens and your tokens have now been converted to earnings!

Tokens Convert at \$0.08 per token during the Live 80% Payout promo.
