We'd be very sad to see you leave the site but we totally respect your decision. In order to have your account deleted, please contact us at [help@manyvids.com](mailto:help@manyvids.com).

We'll need some information from you before we can close your account. Please be sure to let us know if you have any outstanding store item or custom vid orders and confirm that your [payment method is set-up](#) to make sure you receive your final pay.

You will always be welcome back if you ever wish to [reactivate your account](#).

*If you have unpaid earnings on your account above \$20, your earnings will be sent out to you on the next payout date (1st and 16th of every month) to the payment method on file upon the deletion of your account.*
