

## How do I reactivate my deleted Creator/Producer account?

Last Modified on 12/20/2022 4:06 pm EST

Looking to come back to MV? We're more than happy to have you back!

In order to have your Creator or Producer account reactivated, we ask that you reach out to us [ahelp@manyvids.com](mailto:ahelp@manyvids.com) with your request. Make sure to include a photo of yourself holding a sign along with your valid ID with the following 3 things:

- Today's Date
- Your Legal Name
- ManyVids

Please also send a closeup of your ID clearly showing all details (if there is any important information on the back such as your date of birth or the expiry date, please make sure to include a photo of that as well). This is to ensure that all documents for your account are up to date.

We look forward to having you as part of the MV Community again!
