Looking to clean up some of your content from your profile? Below we will provide you with instructions on how to remove Vids and Store Items when you no longer wish to feature them.

## Deleting vids and store items

You can delete vids and store items by clicking on the edit icon on the item you'd like to delete from your profile page:

Scroll to the bottom, and you'll see the option to delete your content.

### Delete via the content manager

## How to delete a Vid

To delete a vid:

1. Click the drop-down menu
2. Dashboard
3. Navigate to Manage My Store
4. Content Manager
5. Locate the vid you wish to delete
6. To the right of the vid, click the 3-dots and you will see the option to "Delete". Once you click that, you will be given a pop-up to confirm your request.

A dark grey rectangular button with rounded corners and a thin border. The text "Click the 3-dots on the vid in Content Manager to delete." is centered in white.

You can also delete a vid from the [Edit vid page](#). At the bottom you'll see the option "Delete Vid Permanently" which works the same way:

## How to delete a Store Item

To delete a Store Item:

1. Click the drop-down menu

2. Dashboard
  3. Navigate to Manage My Store
  4. Content Manager
  5. Select Tab Store Items
  6. Locate the item you wish to delete
  7. To the right of the item, click the 3-dots and you will see the option to "Delete". Once you click that, you will be given a pop-up to confirm your request.
