Linking your X account to your ManyVids account is a great way to promote your content on X with minimal effort on your part. Your sales will be auto-posted based on the frequency you choose. Here's how to set that up!

1. Go to your drop-down menu
2. Dashboard
3. Marketing Tools
4. X promo blaster
5. Click "Link your account" and follow the prompts to allow MV to access your account

To further customize your auto-posts:

1. Go to your drop-down menu
2. Marketing Tools
3. [MV Promo Blaster](#)

There you will see the different frequency options for how often you want your sales to be auto-posted!
