

What is Lovense?

Last Modified on 07/09/2024 2:30 pm EDT

Lovense sex toys add a whole new level of interactivity to Live shows and are an amazing way to generate more tips and engage fans. Compatible Lovense sex toys can be controlled remotely and live by a fan while they're being used in an Live session by any Creator.

Once the toys are paired with your room, you can set the toys to vibrate when members tip with tokens during your [live show](#).

You are in complete control over how your toy reacts to tips, including how long it vibrates and at what intensity. You can connect up to 9 toys at a time to play with during your live show!
