

MV Live Creator of The Day

Last Modified on 12/20/2022 4:19 pm EST

Your fans must really love you! Becoming MV Live Creator of the Day is achieved by getting the most tips within a given period and will give you extra promotion to your live room or profile for a set time!

MV Live Creator of the Day is rewarded to the Live performer who got the most tips *the previous day*. This performer will be featured at the very top of the MV Live Creators list for the full day, whether you are live or not!

This is a great way to build momentum and earn new fans on MV!
