# Content preferences on MV

### Personalize your MV experience and filter by your preference!

When you first enter MV, we will prompt you to select your content preferences (All, Straight, Gay or Trans). This will determine what account types are shown to you throughout different parts of MV, such as recommended vids and search results.

You can easily change your content preferences at any time! Simply go to the drop down menu > Content preferences

- **All** - Shows all content uploaded to MV!
  - **Straight** - Shows Woman Creators, Man (Straight) Creators and Producer Straight accounts.
  - **Gay** - Shows Man (Gay) Creators and Producer Gay accounts.
  - **Trans** - Shows Trans Creators and Producer Trans accounts.
