Content preferences on MV

Personalize your MV experience and filter by your preference!

When you first enter MV, we will prompt you to select your content preferences (All, Straight, Gay or Trans). This will determine what account types are shown to you throughout different parts of MV, such as recommended vids and search results.

You can easily change your content preferences at any time! Simply go to the drop down menu > Content preferences

- **All** - Shows all content uploaded to MV!
- **Straight** - Shows MV Girl, MV Boy Straight and Producer Straight accounts.
- **Gay** - Shows MV Boy Gay and Producer Gay accounts.
- **Trans** - Shows MV Trans and Producer Trans accounts.
