To help keep things fun through hump day, Winning Wednesday is a fun, themed contest where you can win cash for your creativity! Winning Wednesday's can pop-up on any given week and runs most weeks so make sure to keep an eye on [The Official profile page](#) for any upcoming contests.

Entering is simple! You can find the current Winning Wednesday contest under the "Contest" tab. Check out the theme for that week and have a cute, sexy photoshoot of yourself based on the theme (or choose a photo you already have that fits).

Click the purple <Participate> button on the Winning Wednesday contest, accept the terms and upload your winning photo! Make sure to include a message for your fans as well.

How do you win? Once all the photos are submitted, voting will open on Wednesday from 3PM to 11PM EST. Your fans will be able to send you free or paid votes (which will increase your earnings even if you don't win) and you will have a link on your profile that goes directly to your contest submission.

Tip: *In the description of your contest entry, you can offer things in exchange for paid votes such as vids which you can send to members for free using [MV Link](#). You can see sent you paid votes by going to your [Earnings page](#), [Recent Sales](#) and filter by [Contest Votes](#).*

The top 3 highest voted pics, along with the "Best Pic" as decided by the MV Team will all win cash prizes!

Need to edit or remove your entry? Simply locate your entry and click Edit, to remove, select Delete and confirm deletion request.
