

## Can I tag my content so people can find it easily?

Last Modified on 03/01/2022 7:26 pm EST

Yes! We have an incredible number of categories that you can choose from. Tag your images and SFW or NSFW vids so members can easily find both your sexy and safe for work vids.

We have a great **MVU** episode that covers everything you need to know about your content and how to tag you vids to ensure your fans will find them. Watch the clip, [Content Types](#) to learn more!
