

What else should I know to sell Store items?

Last Modified on 08/12/2023 3:41 pm EDT

We want you to reap the rewards and help your Store succeed!

When adding a store item, you have the option to add a short vid preview of between 9 - 30 seconds as a way to further advertise your store item. Think of it as a commercial for your awesome merchandise!

And the more details, the better! So, add all the details of your item such as a clear category, an enticing description, and the quantity available.
