

How do I get my free vid?

Last Modified on 09/21/2023 3:25 pm EDT

The **MV Link** feature enables Creators to give vids to Members **forfree** using a one-time-use URL!

If a Creator has sent you an MV Link, you'll be able to access the vid directly from your Purchase History. The free vids are downloadable unless the Creator has set them to **Stream-Only**.

Instructions on how to redeem your free vid/MV Link:

1. Go to the Drop down
2. Purchase History
3. Choose the filter MV link from the drop down
4. Your content will be available for playback!
