

How do I toggle e-mail notifications?

Last Modified on 04/01/2023 3:09 pm EDT

You can choose which notifications we send you via email:

1. Go to your drop-down menu
2. Settings
3. Email Notifications, then select <View>.

Email Notifications Hide

Email me when someone:

- Sends me a private message
- Posts on my wall or replies to one of my wall posts
- Comments on anything related to my content or replies to one of my comments

[Save](#)

Your email notification settings.

From here, you can check on the types of notifications you would like to be sent emails for. Simply click on the tick box to select or deselect the notification type. Be sure to hit <Save> after you've made your changes.
