

How do I update my legal name on ManyVids?

Last Modified on 05/06/2025 10:41 am EDT

If you ever need to update the legal name we have on file for you, please contact help@manyvids.com

We will require the following:

- Documentation showing the legal name change (such as the legal documentation)
- Updated government-issued photo ID reflecting the change as soon as it's available
- Updated photo of yourself holding your updated ID next to face along with a sign that has Today's Date/Date of Birth/Legal Name/ MANYVIDS

Once we have that, we can update the name we have on file. You may also need to update your payment method. If you're based in the US, please provide us with an updated W9. You can find more info on our W9 requirements here: [How do I fill out/upload my W9 to MV?](#) -- simply send the file with your email.

Please be advised we may request addition identity verification documentation for your safety and security.
