We've partnered with an internationally-accredited age verification service to ensure you are of legal age to verify mature content in your region. The verification process is simple, easy, and takes only a few minutes!

Just click Verify my Age to proceed. You'll be brought to a sign-up page. From there, follow your prompts to upload your ID. You can upload a document or verify through your webcam. You'll need to provide the front and back of your ID.

From there, a confirmation email will be sent to you with a link to finish your account activation. Be sure to check your junk and spam folders if you don't see it.
