What is the ManyVids Live Fest?

The ManyVids Live Fest is a three-day event where Creators can go live for the chance to win daily cash prizes and promotion! Members can also join the live fun; by helping their favorite Creator earn Tokens, they will have the opportunity to win awesome prizes.

How to participate:

Creators need to:

- [Schedule](#) at least one live show during the promotional period
- Go live at your scheduled show time and earn Tokens

What are the prizes?

Creators: The Creator who earns the most Tokens each day will win \$500 and promotion on the Live page carousel. We will announce the daily Top Token earner on our social feeds along with special shoutouts.

Members: The daily Top Tipper will receive a one-month free Premium Membership and 200 FREE Tokens.

How to Get the Most Out of the Promotion as a Creator:

Promote: Let your audience know about the live event. This can be done through social media, Broadcast, or via direct messaging. Let your followers know when you are going live and to join your scheduled shows during the event.

Engage with Your Audience: Before and during the live fest, engage with your audience, interact with them, and encourage them to purchase Tokens in advance so they can be ready to tip you.

All events on ManyVids are in Eastern Standard Time, so make sure to plan accordingly.
